Trapper Mikes is a family run operation. We offer the great Canadian Hunting experience while giving you the personalized attention that our many of repeat customers have come to expect and enjoy year after year. Our hunting area is a vast untamed land of 2,000 sq. miles along the beautiful Paint Lake provincial Park. In 1990 this area was allocated for spring/fall trophy hunts. Approximately half this area has NEVER been baited or hunted before. Our Spring and Fall baiting has resulted in 100% bait hits. One can be assured of steady bait hits and trophy animals in this beautiful wildness.
